Greetings, with (virtual) hugs & love  
The committee has been busy since the 8th retreat, planning for the 9th retreat.

Due to Covid-19 we have to plan for all the possibilities.

We spoke with The Franciscan Renewal Center and they are planning on being open for business much sooner than February of 2021. The FRC will be following the guidelines from the CDC and local governments concerning Covid-19, and this includes social distancing guidelines. If social distancing guidelines are in place in February 2021 then the retreat will have a maximum capacity of 60 participants.

The FRC setup the large group space per social distancing guidelines and determined that this is the maximum number, which also takes into account the dining room and rotation to insure that social distancing guidelines are followed. We will be opening up registration on September 1st 2020 with a maximum of 60 registrants available as we will assume for the moment that social distancing will still be in effect. Any registrations beyond the initial 60 will go on a waiting list. Only those who register will have a place on the waiting list.

We would like to thank you for your support of The Arizona NA Men's Spiritual Retreat.
